OUTCAST

finding our place in God's kingdom

April 1-3

Purpose

We see outcasts everyday—people who fit under a different stereotype, don't look like us, like what we like, or believe the same things. It's easy to walk away from the outcast, leaving them forever in that category, but Jesus never did. Instead, he walked into the difficulty of their lives to bring them the ultimate insider experience—belonging in his family. This event will challenge our students in where they stand in their walk with Jesus as well how to invite others to start their own.
